INTRODUCTION

The North Dakota Department of Corrections and Rehabilitation (ND DOCR) will be awarding up to \$3.5 million for the Victims of Crime Act (VOCA) Assistance Grant. There will only be ONE grant application open in COSMOS under this solicitation. Accordingly, there will only be ONE award offer to each agency.

This Notice of Funding Opportunity provides information and guidance for the VOCA Assistance Grant.

The performance period begins October 1, 2024 and ends September 30, 2025. All agency and general eligibility requirements outlined below must be met before applicants may apply. Proof of meeting these requirements is part of the application process.

VOCA Assistance Grant funding is meant to provide victims of crime service agencies with a source of funding to help sustain programs by offering direct services to victims of crime which also may cover personnel and operational expenses.

The ND DOCR makes an effort to continue funding organizations that remain both eligible and effective in providing victims of crimes from year to year. However, agencies must show evidence of their eligibility and effectiveness each year in the application process. **The ND DOCR does not guarantee any agency will continue to receive funding from one year to the next.** All awards are subject to the availability of appropriated funds and any modifications or additional requirements that may be imposed by Federal or State law. The ND DOCR will offer prioritization of funding to new applicants and tribal entities. The award funding opportunity uses a formula based to determine award allocations.

ELIGIBILITY REQUIREMENTS

AGENCY REQUIREMENTS

To be eligible for VOCA grant funding, a subrecipient must be operated by a criminal justice, governmental unit, public, or private non-profit or tribal agency (see below for definitions). Providing direct services to victims of crime must be a core component of the agency's mission and operations.

1. CRIMINAL JUSTICE AGENCIES:

This category includes state and local law enforcement agencies, prosecutor's offices and correction departments are eligible to receive VOCA grant funding to pay for victims of crimes. Grants made to law enforcement agencies must be used for direct services to victims of crime, such as victim of crimes crisis response units.

2. PRIVATE NON-PROFIT AGENCIES:

This category includes shelters, safe houses, rape crisis centers, faith-based agencies, neighborhood programs, and mental health agencies. In addition to the general eligibility requirements, a private non-profit agency must have obtained 501(c)(3) non-profit status.

3. **AMERICAN INDIAN OR ALASKA NATIVE TRIBES:**

This category includes federally recognized American Indian or Alaska Native tribes, or projects that operate on tribal lands.

4. **OTHER AGENCIES:**

This category includes state and local public agencies that provide services specifically designed to serve victims of crime.

GENERAL REQUIREMENTS

1. The subrecipient must be located in North Dakota and primarily serve North Dakota residents.
2. The subrecipient must comply with all of the provisions outlined in the VOCA Grant Subrecipient Agreement.
3. A subrecipient receiving VOCA grant funding must have financial support from other sources in addition to VOCA grant funding and shall provide cash or an in-kind match contribution, or a combination of both. The total project cost is the amount of the Federal VOCA funds plus the match amount. Federal funds may not be used for the cash match.
4. The subrecipient shall use volunteers throughout the performance period. If an agency is not able to meet this requirement, a request for a volunteer waiver must outline significant and specific reasons why volunteers cannot be used. ND DOCR may grant a waiver for this requirement.
5. The subrecipient shall provide direct services to victims of federal crimes on the same basis as state or local victims of crime.
6. The subrecipient shall not use or reveal any research or statistical information identifiable to any specific individual, for any purpose other than for which such information was obtained.

9. The subrecipient shall be required to cooperate with all VOCA Grant audit reviews.
10. If a single audit is required, the subrecipient must have implemented all necessary recommendations prior, from most current audit, to applying for the FY 25 grant.
11. Each subrecipient will be required to offer each VOCA funded position additional trauma-informed communication training for interactions with victims of crime.

ADDITIONAL SOURCES OF FUNDING

Each agency that is applying must have additional sources of funding for FY2025 and every year following. VOCA funding is not guaranteed, and we want to ensure all of our subrecipients can maintain their programs and most importantly support victims' of crime.

APPLICATION PROCESS

COSMOS GRANT MANAGEMENT SYSTEM

All applicants shall utilize COSMOS to review the application documents and apply for the VOCA Grant. Applicants will be required to acknowledge acceptance of the Subrecipient Agreement by electronic signature. Subrecipients will also utilize COSMOS to submit reimbursement requests and required reports per the Reporting Schedule. COSMOS on-line training is available on the ND DOCR Victim Services website at <https://docr.nd.gov/victims-services/grant-information>.

Access the COSMOS system and download all the application documents. It is expected that all subrecipients will read and understand the requirements outlined in this document.

The list of documents outlined below shall accompany, as applicable, and be attached to all applications for the VOCA Grant. Also, the Certifications as outlined in the next section must also be submitted with each VOCA Grant application. Failure to submit a complete application may result in an application being rejected or denied.

ARTICLES OF INCORPORATION 501 (C) (3)

In addition to the general eligibility requirements, a private non-profit agency shall also have obtained Articles of Incorporation 501 (c)(3) certifying that the agency is registered with the North Dakota Office of the Secretary of State, as a private non-profit agency at: <https://sos.nd.gov/index.html>.

BOARD OF DIRECTORS

Provide a list of names, addresses and telephone numbers of the current board of directors.

CURRENT AGENCY STAFF

Provide current staff, job titles, and job descriptions for positions that are VOCA funded. Job descriptions shall be specific to the individual and only include allowable activities to be supported with VOCA funds. Please also include a list of positions that are non-funded by VOCA.

CERTIFICATIONS

Applicants will be required to certify their compliance with several Federal requirements. Those requirements are outlined below. The Certification Forms are attached to the VOCA Subrecipient Agreement as Exhibits and must be submitted with the application.

LOBBYING; DEBARMENT, SUSPENSION, AND OTHER RESPONSIBILITY MATTERS; DRUG-FREE WORKPLACE REQUIREMENTS

Federal funds may not be used by the State, or any subrecipient, at any tier, either directly or indirectly, to support or oppose the enactment, repeal, modification or adoption of any law, regulation, or policy, at any level of government. Should any questions arise as to whether a particular use of federal funds by a recipient (State) or subrecipient would or might fall within the scope of this prohibition, the recipient (State) is to contact The Office of Justice Programs (OJP) for guidance and may not proceed without the express prior written approval of OJP.

The State and subrecipient receiving Department of Justice funding, such as Victim of Crime Act (VOCA) funding, is required to complete Certifications regarding Lobbying; Debarment, Suspension and other Responsibility Matters; and Drug-free Workplace Requirements. Applicants must complete the Certification Form, attached as Exhibit B, and submit with their application.

EQUAL OPPORTUNITY EMPLOYMENT PLAN

An Equal Employment Opportunity Plan (EEO Plan) is a work force report that agencies shall complete as a condition for receiving Justice Department funding authorized by the Omnibus Crime Control and Safe Streets Act of 1968 (42 U.S.C. § 3789d.) The purpose of the EEO Plan is to make sure the subrecipient receiving financial assistance from the Justice Department is providing equal employment opportunities to men and women regardless of age, race, sex or gender identity, national origin, religion or disability. The federal regulations establishing the EEO Plan requirements also link a diverse workforce to effective law enforcement. The experience of the [Justice Department] in implementing its responsibilities under the U.S. Crime Control and Safe Streets Act as amended, has demonstrated that the full and equal participation of women and minority individuals in employment opportunities in the criminal justice system is a necessary component to the Safe Streets Act of 1968's program to reduce crime and delinquency in the United States at 28 C.F.R. § 42. The Justice Department regulations pertaining to the development of a comprehensive EEO Plan can be found at 28 C.F.R. § 42.301-308.

To determine if your agency is required to complete and submit an EEOP Certification or EEOP Utilization Report, access the OJP information at <https://www.ojp.gov/program/civil-rights/eeop/faqs>. Review the information and instructions under the EEOP Reporting Tool Job Aid. Applicants will need to complete the Certification Form, attached as Exhibit D, and submit with their application.

OFFICE OF MANAGEMENT AND BUDGET (OMB) CIRCULAR A-133 AUDIT

Any governmental unit (state or local) or private non-profit agency expending less than \$750,000 in federal funds in any fiscal year are exempt from a single A-133 audit. A single A-133 audit must be submitted online to the Federal Audit Clearinghouse (FAC) for any governmental unit (state or local) or private nonprofit organization expending \$750,000 or more of federal funds. Single audit submission is required under the Single Audit Act of 1984 (amended in 1996), OMB Circular A-133, and the Office of Management and Budget (OMB) Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements for Federal Awards (Uniform Guidance). The Internet Data Entry System (IDES) is the place to submit the single audit reporting package and can be accessed at <https://harvester.census.gov/facides/Account/Login.aspx>. The Single audit submission is due nine (9) months after the end of the fiscal year. Applicants must complete the Single Audit Certification Letter, attached as Exhibit C, and submit with their application.

FEDERAL CIVIL RIGHTS TRAINING

The subrecipient receiving financial assistance from the Office of Justice Programs (OJP), must comply with the Federal statutes and regulations that prohibit discrimination in federally assisted programs or activities. The subrecipient may not discriminate in employment based on age, race, sex or gender identity, national origin, religion, or disability. The subrecipient also may not discriminate in the delivery of services or benefits based on age, race, sex or gender identity, national origin, religion, or disability. The Office of Civil Rights (OCR) has developed online civil rights training curriculum for grantee agencies and subrecipients. OJP Civil Rights Non-Discrimination Online Training shall be completed prior to receiving VOCA funding by accessing the training modules at <http://ojp.gov/about/ocr/ocr-training-videos/video-ocr-training.html>.

At this time, there is no certification form required for completion of Federal Civil Rights Training.

APPLICATION DOCUMENTS

The following documents must be submitted with each application:

Articles of Incorporation 501 (C)(3)	Required if applicant is Private Non-Profit
Board of Directors	Required for all applicants
Lobbying and Debarment Certification	Required for all applicants
EEOP Certification	Required for all applicants
Single Audit Certification	Required for all applicants
Budget Narrative	Required for all applicants
Budget Detail	Required for all applicants
Volunteer job descriptions	Required for all applicants without a volunteer waiver
Job descriptions for VOCA paid staff	Required for all applicants
Letter of Collaboration	Required for all applicants
Documentation supporting Match expectations	Required for all applicants

BUDGET NARRATIVE

The Budget Narrative within COSMOS is limited on space. Therefore, each sub will be required to complete for approval, the Budget detail sheet. The Budget Narrative needs to match the Budget Detail.

BUDGET DETAIL

A detailed budget outline will be required for all applicants. When preparing your budget, each agency will need to have an allocation basis for how they arrive at the figures in the budget. If you budget a certain amount for utilities, you should be able to demonstrate how you arrived at that specific proration, keeping in mind that this basis should be calculated by VOCA activities and not by funding sources. Below is an example of the information necessary to establish a basis to claim \$1,120 for utilities expenses:

- Yearly utilities expenses are approximately \$3,200 or \$266.67 per month. VOCA activities make up approximately 35% of the total agency activities. Therefore, utilities expenses billed to VOCA should be approximately 35% of \$3,200 or \$1,120 for the year.

Indirect and Administrative Costs Methods:

If a recipient does not have an approved indirect cost rate, an agency may request the de minimus rate of 10% .

Indirect Cost Rate: A recipient may include their approved indirect cost rate in a grant application. The approved Indirect Cost Rate Agreement must be attached to the grant application.

10% De Minimis Rate: If a recipient elects to use the 10 percent de minimis rate, the Uniform Guidance requires that you use Modified Total Direct Costs (MTDC) as the cost base. MTDC includes all direct salaries and wages, applicable fringe benefits, materials and supplies, services, travel, and up to the first \$25,000 of each subaward (regardless of the period of performance of the subawards under the award).

A recipient that is eligible under the Part 200 Uniform Requirements and other applicable law to use the "de minimis" indirect cost rate described in 2 C.F.R. 200.414(f), and that elects to use the "de minimis" indirect cost rate, must advise OJP in writing of both its eligibility and its election, and must comply with all associated requirements in the Part 200 Uniform Requirements. Attach letter to the grant application.

Direct Allocation Method: Direct allocation treats ALL costs except administration and other general expenses as direct costs. Joint costs are prorated individually as direct costs to each category and to each award or other activity using a base most appropriate to the particular cost being prorated.

VOLUNTEER JOB DESCRIPTIONS

A job description will be required for any duties performed by volunteers.

JOB DESCRIPTIONS FOR STAFF

A job description will be required for each staff member included in the budget.

LETTER(S) OF COLLABORATION

A letter of collaboration is required and must include the following:

Identify the agency and provide a brief history of the collaborative relationship, including when and under what circumstances the relationship began.

1. Clearly state the roles and responsibilities each agency will assume to ensure the success of the proposed project.
2. Demonstrate the capacity of the grant-funded staff to successfully implement project activities.

3. Describe the resources each partner would contribute to the project, either through time, in-kind contributions, or grant funding.
4. Demonstrate a commitment to work together to achieve stated project goals and objectives.

DOCUMENTATION SUPPORTING MATCH

Applicants must provide documentation supporting their expectations for match.

6. Describe the method(s) your agency plans to use to collect statistical information, measure progress, and determine success with proposed VOCA Grant funding.
7. How will your agency advocate the Crime Victims Compensation Program?
8. Describe how your agency will use volunteers within the performance period.
9. In the upcoming grant cycle, how will your agency become more relevant to the need's victims?

MATCH

Documentation supporting match shall be **submitted in COSMOS quarterly, at a minimum.**

A subrecipient receiving VOCA grant funding shall have financial support from other sources in addition to VOCA grant funding and shall provide a match contribution (cash or an in-kind, or a combination of both). Documentation supporting Match shall be attached to the application in COSMOS.

The total project cost is the amount of the Federal VOCA funds plus the match amount. Federal funds may not be used for the cash match. An agency with previous **VOCA subawards shall use a 20% cash or in-kind match, or combination of both. An agency new to VOCA shall use a 25% cash or in-kind match, or combination of both. American Indian or Alaska Native**

Agencies are exempt from project match requirements.

EXAMPLE:

Step 1. Award Amount ÷ % of Federal Share = Total (Adjusted) Project Cost

Step 2. Total (Adjusted) Project Cost x % of Recipient's Share = Required Match

If the VOCA subaward amount is \$80,000 and the match is 20%:

Step 1. $\$80,000 / .80 = \$100,000$ (Total adjusted project cost)

Step 2. $\$100,000 \times .20 = \$20,000$ (required match)

REIMBURSEMENT REQUESTS

Reimbursement Requests are required to be submitted once per month. Failure to submit per the required schedule may result in sanctions as detailed below in the Subrecipient Non-Compliance. Reimbursement Requests are due on the 15th day of each month. (A request to be considered for a quarterly reimbursement submission must be submitted during the Budget detail process).

Clear and concise documentation will be required when submitting reimbursement requests. The ND DOCR must be able to easily reconcile the documents submitted with the dollar amount requested. **IF APPLICABLE, PLEASE INCLUDE YOUR CALCULATIONS FOR VOCA ALLOCATION REIMBURSEMENTS (I.E., SALARY, FRINGE, ETC.), AS WE ARE AWARE YOU MAY BE IN RECEIPT OF MULTIPLE FUNDING SOURCES.**

The ND DOCR understands there are many different accounting systems in use by subrecipients. At this time the ND DOCR is not mandating the use of specific forms for submitting reimbursement requests. However, as a best practice, subrecipients are encouraged to use the Subrecipient Reimbursement Request Template, which can be downloaded from <https://www.docr.nd.gov/grant-information> under VOCA Links. If a subrecipients chooses not to use the Subrecipient Reimbursement Request Template, the same information must be provided.

Receipts will be required for all expenses submitted and must include a notation on the receipt indicating what portion is being claimed under VOCA (**please include your calculation as well**) and what budget category the expense is for. Employee timesheets will be required per the requirements outlined in the Subrecipient Manual. The Subrecipient Manual can be found on the ND DOCR website <https://www.docr.nd.gov/grant-information>, under VOCA Links.

A copy of each quarterly report from the PMT system shall be uploaded into COSMOS during Closeout.

VICTIMS - CONSIDERED SECONDARY VICTIMS CHILD, CHILDREN, OR OTHER INDIVIDUALS SHALL BE COUNTED ONLY IF:

1. The crime was perpetrated upon the child or children also; or if they received direct contact by one of your staff members; or benefitted directly from services provided by your agency.
2. If a child or children are listed on a protection order, the child or children may be counted as a victim if he or she is being provided a direct service. The mere listing of a child or children on a protection order does not mean that the child or children are being provided a service. Use your best judgment in determining whether the child or children are in need of and being provided a direct service.

SCENARIO EXAMPLES:

1. In a crisis intervention situation, mom and four children were placed at a shelter. The number of victims counted is five.
2. Mom is at the subrecipient agency for support group and is benefiting from counseling. The three children in her custody and the family have not received other direct services. The number of victims counted is one.
3. Mom and two children required food assistance and paying the utility bill. If mom is a victim of crime, the number of victims counted will be three; the children would benefit directly from the food and heat.
4. A non-custodial mom of three children received emergency shelter. The number of victims counted is one.

VICTIMS - COUNTING VICTIMS OF CRIME WITHOUT DUPLICATION

All victims of crime shall be counted only once during the performance period, except when a victim receives services for a separate and unrelated crime.

The North Dakota Department of Corrections and Rehabilitation (DOCR) will make multiple attempts to correct and resolve compliance issues with subrecipients. The ND DOCR can add Specific Conditions to any VOCA Subrecipient Agreement to address compliance issues. However, continued violation of the VOCA Subrecipient Agreement could result in one or more sanctions, as authorized under 2 CFR 200.338 outlined in paragraph 5, Risk Assessments, Monitoring, and Remedies, of the VOCA Grant Subrecipient Agreement.

Sanction(s) may be imposed for one or more of the violations below:

1. Failure to submit three Performance Measure Tool reports by the required deadline within any 18- month period.

THE AUTHORIZED SANCTIONS MAY INCLUDE ONE OR MORE OF THE FOLLOWING:

Temporarily withhold reimbursements pending correction of the deficiency by the non-Federal entity, or more severe enforcement action by the Federal awarding agency or pass-through entity.

1. Disallow (that is, deny both use of funds and any applicable matching credit for) all or part of the cost of the activity or action not in compliance.
2. Wholly or partly suspend or terminate the Federal award.
3. Initiate suspension or debarment proceedings as authorized under 2 CFR part 180 and Federal awarding agency regulations (or in the case of a pass-through entity, recommend such a proceeding be initiated by a Federal awarding agency).
4. Withhold further Federal awards for the project or program.
5. Take other remedies that may be legally available.

Should the ND DOCR decide to partly suspend the Federal award, the following graduated sanctions may be used. The sanction should be based on the number of violations. Multiple violations can be counted as separate incidents, therefore increasing the severity of the sanction.

- First incident – minimum of \$1,000 partial suspension or 1% of the award, whichever is greater.
- Second incident – minimum of \$5,000 partial suspension or 5% of the award, whichever is greater.
- Third incident – termination of Federal award.
